Email: [colin@plas-tal.com](mailto:colin@plas-tal.com)

### Project Manager/Detailers/Checkers

**SteelStar Corporation** is an aggressively growing detailer/fabricator/erector (16-20 Million/Annually) in the Denver Metro area along the beautiful Front Range of Colorado.

#### Project Manager (\$65-95K Annually)

We are currently seeking an aggressive and skilled project manager with experience in low to mid rise commercial/industrial, miscellaneous and architectural/ornamental metals projects from 500-2000 Tons.

The successful candidate must have a minimum of five years experience in construction project management. Requirements to include, but are not limited to; excellent computer/technical skills, organizational skills, scheduling skills and documentation skills as well as great communication and customer service skills. Most important of all, the successful candidate must have a great attitude! An Associates or Bachelors degree is required; this may be waived in lieu of experience. Relocation to Colorado Required. Must have excellent references and project track record.

#### Detailers/Checkers (\$15-\$35 Per/Hour)

We are currently seeking (3) skilled Tekla (Xsteel) and (4) AutoCAD/AutoSD detailers & checkers with experience in low to mid rise commercial/industrial, miscellaneous and architectural/ornamental metals projects up to 2000 Tons.

The successful candidate must have a minimum of (3) year's structural and/or miscellaneous steel detailing experience. Requirements include, but are not limited to; excellent computer/technical skills and Tekla or AutoCAD experience. Most important of all, the successful candidate must have a great attitude! Relocation to Colorado Required. Candidate must be able to provide excellent references and drawing examples. All candidates must be currently eligible to work in the United States.

**We offer** the security of a financially stable company, profit sharing, competitive wages, relocation reimbursement, medical benefits, 401K, paid holidays and paid leave time, and most of all, a fun place to work with opportunity for advancement. Please send resume to: SteelStar Corporation, P.O. Box 218 - Dacono, CO 80514 Attn: Employment - Fax 303.828.4092 or email [employment@steelstar.com](mailto:employment@steelstar.com). Visit us @ [www.steelstar.com](http://www.steelstar.com).

### The Steel Deck Institute – Technical Director

The Steel Deck Institute (SDI), the trade association responsible for setting standards for the steel deck industry, is currently seeking qualified candidates for the position of Technical Director. The Technical Director is responsible for coordinating the Institute's technical committees and research programs, the presentation of technical seminars, representing SDI and participating in activities of other organizations such as AISI, AISC and ICC, providing engineering assistance to design professionals and managing special projects such as updating ANSI/SDI standards.

Qualified candidates should possess a BS in Civil or Structural Engineering. Professional Engineer's License or the ability to be registered is required. Experience in cold-formed steel design or metal building industry is also a plus. Strong communication, organizational, presentation and computer skills a must as well as the ability to work with limited supervision. Relocation to the Chicago, IL suburban area is preferred.

We offer a competitive compensation package including medical insurance and paid vacation.

Applicants should mail, fax or email resumes (in confidence) to:

Steel Deck Institute  
Attention: Steven A. Roehrig, Managing Director  
P.O. Box 25  
Fox River Grove, IL 60021-0025
