THINKING OF RELOCATING?

LOOKING TO ADVANCE YOUR CAREER?

We can help you in finding the right company to utilize your talents, help you achieve your goals, and have a lot more FUN!

Selecting the "Right" company can make a tremendous difference in your life!

Why have SE Solutions help you in your job search?

- SE Solutions is a specialty recruiting company run by structural engineers.

- We have over 25 years combined experience working with structural engineers, and have relationships with people responsible for hiring decisions in engineering companies all over the United States.

- We will save you time and provide additional information and help during the process of finding a new job that you won't find anywhere else.

Here's what other engineers have said about our services...

"In the midst of the stress and uncertainty involved in moving to a new city and looking for work, the support provided by SE Solutions was invaluable in helping me make a smooth transition to a new life."

"He knew which potential positions, even ones that were not posted yet, would fit my profile. His analysis took into account my personality as well as that of the people with whom I would potentially work."

"I'm really happy with the job and the people. It's so different to be doing something you enjoy, and something you're good at."

Call us TODAY to learn more about how we can help you!

AISC Engineering & Research Dept. Staff Engineer

If you are looking for an entry-level position, have good people skills, and like new challenges, AISC has an opportunity available. AISC is now seeking applicants for a Staff Engineer position in the AISC Engineering & Research Dept. This is a unique opportunity to work with issues in structural research as well as steel fabrication. You will work with the top educators in the North American steel design and construction industry and will be in a position to establish yourself as an expert in steel design. The position will allow you to use your technical training to develop and promote research and industry issues that benefit the entire structural engineering community and structural steel industry.

Applicants should have a BS degree with structural emphasis in architectural or civil engineering, AISC provides a great working environment offering professional development opportunities and a competitive salary and benefits package.

Send resumes to C. Becker at becker@aisc.org.

Ramar Steel, a member of AISC, is one of western New York State's most reputable structural steel fabricators and erectors. Ramar is located in Rochester—on the shores of Lake Ontario and within the Finger Lakes region of the state. We are seeking experienced, talented and motivated steel industry professionals to support our plant expansion and sales growth. We are currently seeking:

- **Detailer** – minimum 2-3 years structural steel detailing experience (Tekla / XSteel preferred)
- **Project Managers** – to manage multiple fabrication and erection projects
- **Fabrication Manager** – Hands-on professional to oversee shop operation of 15-20 employees
- **Estimators** – Minimum 5 years structural steel estimating experience required

Ramar Steel offers excellent pay, generous medical, dental and life insurance benefits, 401K, profit sharing and bonuses.

Send resumes to mar@ramarsteel.com or fax to 585.263.2734.

BIM Modeler

Progressive structural engineering firm seeks a structural 3-D Building Information Modeler interested in an opportunity to join an innovative team involved with adopting a more advanced technological approach to designing, documenting and constructing building facilities across the country.

Responsibilities will include working with design and construction teams in a 3D environment to design and coordinate multi-discipline building design projects and assist the interoperable flow and use of 3D models to the construction team. Qualifications include 3-5 years Tekla detailing or Revit modeling experience and fluency in Autocad.

Submit resume and project biography to Structural Consultants, 3400 E. Bayaud Ave. #300, Denver, CO 80209, fax 303-333-9501. Email: joe@sci-denver.com.

Project Manager/Detailers/Checkers

SteelStar Corporation is an aggressively growing detailer/fabricator/erector (16-20 Million/Annually) in the Denver Metro area along the beautiful Front Range of Colorado.

Project Manager (\$65-95K Annually)

We are currently seeking an aggressive and skilled project manager with experience in low to mid rise commercial/industrial, miscellaneous and architectural/ornamental metals projects from 500-2000 Tons.

The successful candidate must have a minimum of five years experience in construction project management. Requirements to include, but are not limited to; excellent computer/technical skills, organizational skills, scheduling skills and documentation skills as well as great communication and customer service skills. Most important of all, the successful candidate must have a great attitude! An Associates or Bachelors degree is required; this may be waived in lieu of experience. Relocation to Colorado Required. Must have excellent references and project track record.

Detailers/Checkers (\$15-\$35 Per/Hour)

We are currently seeking (3) skilled Tekla (Xsteel) and (4) AutoCAD/AutoSD detailers & checkers with experience in low to mid rise commercial/industrial, miscellaneous and architectural/ornamental metals projects up to 2000 Tons.

The successful candidate must have a minimum of (3) year's structural and/or miscellaneous steel detailing experience. Requirements include, but are not limited to; excellent computer/technical skills and Tekla or AutoCAD experience. Most important of all, the successful candidate must have a great attitude! Relocation to Colorado Required. Candidate must be able to provide excellent references and drawing examples. All candidates must be currently eligible to work in the United States.

We offer the security of a financially stable company, profit sharing, competitive wages, relocation reimbursement, medical benefits, 401K, paid holidays and paid leave time, and most of all, a fun place to work with opportunity for advancement. Please send resume to: SteelStar Corporation, P.O. Box 218 - Dacono, CO 80514 Attn: Employment - Fax 303.828.4092 or email employment@steelstar.com. Visit us @ www.steelstar.com.
