Contract Auditor

Quality Management Company, LLC is seeking contractors to conduct audits for the AISC Certified Fabricator and AISC Certified Erector Programs. Contractors must have knowledge of quality management practices as well as knowledge of audit principles, practices and techniques and knowledge of the steel construction industry. If you are interested, please submit your statement of interest **contractor@qmconline.org**.

Looking for something from an old issue of *Modern Steel*?

All of the issues from *Modern Steel Construction*'s first 50 years are now available as free PDF downloads at **www.modernsteel.com/backissues**.

AutoSD Steel Detailing software.

Detail a full range of structural and miscellaneous steel, create erection drawings, extract for FabTrol and create CNC files, using AutoCAD 2002–2016 or Bricscad Pro 11–15.

AutoSD, Inc. www.autosd.com
