QMC Contract Auditor

Quality Management Company, LLC is seeking contractors to conduct audits for the AISC Certified Fabricator and AISC Certified Erector Programs. Contractors must have knowledge of quality management practices as well as knowledge of audit principles, practices and techniques and knowledge of the steel construction industry. If you are interested, please submit your statement of interest contractor@qmconline.org.

Are you looking for software, products, or services for your next project? You can find it in *Modern Steel Construction's* online product directory.

www.modernsteel.com/products

If you're a provider of software, products, or services and would like more information about being listed or enhancing your current listing, contact Louis Gurthet at:

gurthet@modernsteel.com or 231.228.2274

Modern
